

LOADOLL III

Eastern Wrecker Sales, Inc.

Hydraulic Control Box

A well-protected, illuminated hydraulic control box is located just rear of the axle.

Hydraulic System

The Loadoll III uses welded hydraulic cylinders with chrome plated rods for long trouble-free service.

Standard Stabilizer Bar

The heavy-duty stabilizer bar also serves as a dock level hydraulic lift that raises the bed to a maximum of 59" with 30,000 lb. capacity.
