R.H. WRECKER BOOM LIFT CYLINDER
3320000012

This technical drawing is an exploded view of a mechanical assembly, showing 16 individual components arranged in their relative positions. The components are numbered as follows:

- 1: A long, thin cylindrical shaft with a threaded end.
- 2: A hexagonal nut.
- 3: Two identical thin, circular flange-like components.
- 4: A thin, circular flange-like component.
- 5: A large, threaded cylindrical component.
- 6: Three small, circular O-rings or seals.
- 7: A small, circular O-ring or seal.
- 8: A thin, circular flange-like component.
- 9: A large, circular flange-like component.
- 10: A large, circular flange-like component.
- 11: A small, circular O-ring or seal.
- 12: A small, circular O-ring or seal.
- 13: A small, circular O-ring or seal.
- 14: A large, threaded cylindrical component.
- 15: A large, circular flange-like component.
- 16: A long, cylindrical component with a flange at one end and a mounting bracket at the other.

The diagram includes a large, diagonal watermark that reads "EASTERN WRECKER SALES INC" and "www.easternwrecker.com".
